

VENTICELLO

Pure style: the washbasins have a slim-line edge (18 mm) and really deep basin.

Full of character: svelte, surface-mounted washbasin - the practical type.

The complete picture: the elegant bidets and WCs have DirectFlush as standard.

Smart Design: the asymmetric washbasins sport large surrounds.

Stylish in every way: washbasins to suit every need.

More space for more scope: perfectly matching furniture.

Venticello guest bathroom: Vanity washbasin, 50 cm, with vanity unit and mirror, wall-mounted WC

VENTICELLO

Good design is an expression of true character. Venticello, the new bathroom collection from Villeroy & Boch, demonstrates an impressive combination of form and function.

Slimline edges, a delicate, fashionable look, practical, wide-ranging features, smart details, reliably high quality and a comprehensive product range. The perfect way to create a sense of space: a fitting solution that's full of character, for a personal touch. Use your imagination and succumb to the inspiration.
